

STATUTORY DECLARATION

I, P/ASP NOOR AZIZUL RAHIM BIN TAHARIM, Police I/C No: **I/10407**, a Malaysian citizen of full age and residing at No. B-17-1, Apartment Desa Aman 2, Jalan Pantai Murni 6, Pantai Dalam, Kuala Lumpur, do hereby sincerely and truly affirm and say as follows:-

1. I joined Polis DiRaja Malaysia since 04/11/1984 and am currently serving as ASP(WG) S2 at Bahagian Pemberi Pinjaman Wang Dan Pemegang Pajak Gadai Kementerian Perumahan Dan Kerajaan Tempatan. I served as the aide de camp (ADC) of the Inspector General of Police Tan Sri Musa Hassan (IGP Musa) between 2005 to 2007.
2. During the period that I served as ADC to IGP Musa, I observed many things that caused me to lose confidence in the leadership of IGP Musa. Many of his actions undermined the integrity and credibility of PDRM as the principal law enforcement agency entrusted with the maintenance of law and order of the country.
3. On many occasions, I observed that the public persona displayed by IGP Musa is totally opposite to his private conduct and actions which are unknown to the public and the Government. IGP Musa's actions constitute a betrayal of his oath of office as the country's No. 1 Policeman which in Malay would be considered as "Pengkhianat."
4. I became disillusioned when Dato' Christopher Wan, then Director CID, revealed to me that IGP Musa had directed a covert blog to be set up to make allegations of corruption against Dato' Johari Baharom, then the Deputy Minister of Home Security. Dato' Johari Baharom became the subject of an ACA investigation which damaged Dato' Johari's credibility.
5. I am also aware of various statutory declarations made by several policemen, police informants and subjects of police actions showing linkages between IGP Musa and the underworld, specifically concerning the RR detainee, Goh Cheng Poh @ Tongku, and one shadow figure, BK Tan.

6. Based on my personal knowledge and involvement as the ADC to the IGP, I can confirm that the statements made by these deponents concerning IGP Musa are true and do correctly reflect the events as described by them about IGP Musa.
7. In specific reference to the events narrated in the SDs of ASP Mior Fahim Bin Ahmad (G/13237) and ASP Hong Kin Hock (G/10990) about the manipulations of promotions, ranks and postings in the hierarchy of the PDRM involving BK Tan, these are indeed true. I have personal knowledge and involvement in that I was asked, as ADC, to compile and co-ordinate such posting orders based on the drafts and proposals made by BK Tan. A copy of this draft which was subsequently implemented as police posting orders is marked herewith as Attachment "A".
8. Officers were transferred to achieve certain objectives. In some cases, there were entrapments that made certain officers appear guilty of wrongdoings. In others, allegations were made against certain officers that resulted in them being given either 24 hour transfer orders or short notice transfers. This gave the impression that IGP Musa was eradicating corruption and abuses within PDRM, whereas in most cases that was furthest from the truth.
9. The credibility of these officers would be demolished such that whatever information they have gathered about IGP Musa would be discredited. These officers would suffer hardships being transferred away from their family and home base. They will also get bypassed in promotions and will suffer disciplinary actions without the proper process. Consequently, less able officers climbed the ranks and the victimized officers were used as warnings against others of similar consequences. This process of "mencantas" explains the apparent lack of ability by PDRM to tackle crime, the lack of motivation and low morale within PDRM that saw crime escalating at an alarming rate during the tenure of IGP Musa.
10. I tried to inform the higher echelons in PDRM about this matter in the hope that these superior officers could do something about the matters I have witnessed. Among those whom I had spoken to were:
 - a) Tan Sri Najib, former DIGP;
 - b) Dato' Amir Sulaiman, Ex-Director of Admin;
 - c) Dato' Kamaruddin Ali, Director of Admin;

- d) Dato' Othman Salleh, Chief of Police Negri Sembilan;
- e) Dato' Khalid, Chief of Police Selangor;
- f) SAC II Lau Hong Soon.

11. When nothing was done about my complaints, I also raised this with some people outside PDRM namely:
- a) former IGP Tun Haniff Omar;
 - b) Dato Johari Baharom, former Deputy Home Minister;
 - c) Dato' Radzi Sheikh Ahmad;
 - d) Tuan Che Md Ismail of the Police Force Commission and another member of the Commission.
12. I also informed Dato' Ramli Yusuff, the former Director CCD, whom I knew had been IGP Musa's superior for 6 years and who at that time was investigating some money lending syndicate. I believe Dato' Ramli would have reported this information to the Deputy Home Minister within the scope of his investigations on the money lending syndicate.
13. However, nothing much could be done when IGP Musa was given an extension of service of 2 years in July 2007 by the previous Prime Minister who was also the Home Security Minister. This served as a powerful endorsement that the Government is fully behind IGP Musa.
14. A sense of fear also gripped many within PDRM and outside when not long after that, in October 2007 during Ramadan, the lawyer who assisted CCD in the Goh Cheng Poh @ Tongku matter (after the A-G Chambers declined to prepare affidavits for these CCD), was himself arrested in a most humiliating manner and charged in court one day before Aidilfitri.
15. The message was clear that IGP Musa had the support of the ACA, the Attorney-General and the Prime Minister in all his actions. This fear, amongst officers in PDRM, became the need for self preservation after six rank and file policemen including Dato' Ramli were charged for various offences. Not long after that, the A-G ordered the release of the said Goh Cheng Poh @ Tongku. Many in PDRM became demoralized that a criminal is released by resort to legal niceties whereas our own fellow brothers were charged.

- 16. It is not my intention to be disloyal to IGP Musa, but I feel guilty if I am contributory to this cancer spreading within PDRM. I am a career police officer and I have pledged to serve and defend PDRM and the country.
- 17. I am not unaware that I may be exposed to dangers by swearing this SD, but all that I have stated above are the truth, the whole truth and nothing but the truth. I hope that what befell the 6 policemen, including Dato' Ramli Yusuff, who are all facing prosecution, will not happen to me. Many of these officers who were charged ended up becoming taxi drivers, security guards etc which caused great hardships to their families.
- 18. Even if they are acquitted by the courts, as have recently happened to C/Insp Nordin, Cpl Wong and Dato' Ramli, sufficient damage are already done to their careers and families. There is the added fear that the A-G Chambers will also appeal against the acquittals and drag these matters further until they are totally forgotten.
- 19. I hope that I will be given protection by the Minister and the Government for making this disclosure as it is made with the hope to improve PDRM in expectation of a new leadership era under DIGP Tan Sri Ismail Omar and that there should be an end to the persecution of officers who dare to do the right thing.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provision of the Statutory Declaration Act, 1960.
